The regulation and inspection process aims to achieve excellence in childcare and early years provision.

This well established annual conference will again bring together senior childcare and early years practitioners and managers from across the country to hear the latest policy direction from government. Delegates will learn from current best practice, enabling them to bring practical suggestions back to their workplace.

Ofsted will review the first year of inspections under the EYFS and The National Strategies will discuss ways of demonstrating your support for children's learning through the EYFS.

Don't miss the opportunity to network with colleagues and make new and valuable contacts to help you improve your childcare and early years provision.
